

Home Equity Loan Application

Thank you for choosing Penn State Federal Credit Union for your financial needs. Attached are the forms necessary to process your Home Equity loan application. Please review these materials, complete and sign the documents, and return to the Credit Union.

We will begin processing your application as soon as it is received; however it may take up to three weeks for the Credit Union to receive the appraisal once an appraiser has inspected the property. A Lending Service Representative will keep you updated on the progress of your application or any additional information that may be needed to complete the processing of your application.

Penn State Federal must be listed on your homeowner's policy as the mortgagee and the Credit Union must receive a copy of the insurance binder on each renewal date. Proof of this insurance is required at the time of settlement. In some instances flood insurance may also be required.

For faster processing, fax all forms to (814) 865-9041. Mail, or drop off the original, signed documents. If you have any questions regarding these forms, please ask your Lending Service Representative for more information. The Loan Department can be contacted by telephone at (814) 863-0549 or 800-828-4636 (Select Option 2), by fax at (814) 865-9041, or by email at loans@pennstatefederal.com.

There is a Home Equity Loan Origination Fee of \$375.00 which can be paid at closing or added to the loan balance. Home Equity loans are available in Pennsylvania only.

NOTICE TO THE HOME LOAN APPLICANT

In connection with your application for a home loan, the lender must disclose to you the score that a consumer reporting agency distributed to users and the lender used in connection with your home loan, and the key factors affecting your credit scores.

The credit score is a computer generated summary calculated at the time of the request and based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the lender in determining whether you will obtain a loan. They may also be used to determine what interest rate you may be offered on the mortgage. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit scoring technologies change.

Because the score is based on information in your credit history, it is very important that you review the credit-related information that is being furnished to make sure it is accurate. Credit records may vary from one company to another.

If you have questions about your credit score or the credit information that is furnished to you, contact the consumer reporting agency at the address and telephone number provided with this notice, or contact the lender, if the lender developed or generated the credit score. The consumer reporting agency plays no part in the decision to take any action on the loan application and is unable to provide you with specific reasons for the decision on a loan application.

If you have questions concerning the terms of the loan, contact the lender.
