

Dear Member,

A Term Share Certificate that you hold with Penn State Federal Credit Union will mature soon. In order to serve your needs, please tell us how to proceed with your deposit. Your certificate will automatically renew for the same term at the current rate for that term at the time of its maturity. Our Board of Directors monitors rates and may change them at any time. You can always see our current rates at www.pennstatefederal.com.

If you would like to change or close your certificate, please complete this form and return it to us. This form must be returned before the date your certificate is due to mature. There is no grace period, upon the maturity date the certificate will renew.

We appreciate your business and hope that you continue to deposit with us. Do not hesitate to contact us if you have any questions.
