

Auto Loan Rates As Low As

3.5% APR*

in times like these

saving money

is a great thing

* APR = Annual Percentage Rate. Rates are based on applicant's credit history and year, make and model of vehicle. Expires on September 30, 2010. Valid on 2006 and newer auto loans with terms up to 60 months. New loans only. No other loan discounts apply.

..... That's my Credit Union! That's my Credit Union! That's my Credit Union!
