AUTHORIZATION AGREEMENT FOR NET PAY DEPOSIT

Effective 11-01-93, all newly hired employees MUST have their salary directly deposited.

By my signature on the front of this form, I hereby authorize the direct deposit of my salary to the checking account and financial institution represented by the attached voided check, or the savings account and financial institution indicated on the reverse side. Such direct deposits will be made on each succeeding pay day unless I choose to change or terminate the agreement by submitting a newly completed form (type of action allowed contingent upon my hiring date; terms specified in above paragraph). Any such notification to the University shall become effective following receipt, after a reasonable opportunity to act on it.

Effective May 1, 2001: In addition to salary deposits, other types of payments, such as (but not limited to) travel reimbursements, travel advances, flex benefit reimbursements, and group meal reimbursements will be deposited.

In the event that the University deposits funds erroneously into my account, I authorize the University to debit my account for an amount not to exceed the original amount of the credit.

This request must be filed by the established payroll cut-off date for which the deposit is to begin or change.
